

Beaver County Zero Suicide | Yard Sign Design Competition

We need your help designing Yard Signs, which will be located throughout Beaver County this Spring. Below is an example of what we're looking for. **YOU design the front / WE design the back.** For simplicity, YOUR design can be on an 8-1/2" x 11" piece of paper or poster board. Capture a photo of your design and submit the image to Elisia Majors (emajors@bcbh.org) by 3/19/21.

Let's work together as a community and create positive messages that inspire hope and guide our neighbors to the help and resources that they may need.

All submissions
are welcome.

Thank you, everyone!
